Published
September 2008

- 10 brand new cities from the experts in affordable style at *Wallpaper** magazine
- 60 cities already available
- Tirelessly researched and thoughtfully edited to provide crucial information for the discerning traveller who wants to experience the very best a city has to offer
- These guides include the ultimate destinations for design, art and architecture enthusiasts, as well as recommending the best places to sleep, eat, drink, shop, exercise and relax, all rigorously selected by the style-conscious experts at *Wallpaper** magazine
- Ideal for the day-tripper, the business traveller or even those enjoying an extended stay, these pocket-sized guides are easy to use and discreetly packaged, ensuring that the reader will never feel like a tourist

Wallpaper City Guides* are compiled by the magazine's travel experts – in-house editors and correspondents who actually live in the selected cities – to provide up-to-the-minute information on the very latest hotspots.
