Published
September 2010

- The only monograph on the pivotal recent work of John Pawson (b.1949), a renowned designer of minimalist spaces, buildings and objects
- An insider's view into the working processes, client relationships and design methodology of this celebrated architect
- Includes houses, monasteries and other buildings throughout Europe and North America as well as interiors, objects and boats
- A beautifully presented glimpse into the refined yet luxurious homes and apartments designed by John Pawson
- Pawson is author of the highly successful *Minimum* and *John Pawson: Themes and Projects*, and the subject of *John Pawson Works*, all published by Phaidon, and the publication of *Plain Space* will coincide with the opening of a major retrospective exhibition at the Design Museum, London, in Autumn 2010

Alison Morris is a writer, specializing in the field of architecture and design. Working closely with the Pawson team, she has remained close to the heart of the architectural process for more than a decade.
