- Following the success of *The Silver Spoon*, this book contains everything you will ever need to know about making and serving authentic pasta
- Greatly expanded from the selection in the original book, these 350 recipes come from every region of Italy and are suitable for any occasion
- *The Silver Spoon: Pasta* includes tips on choosing the right shapes for the right sauce, preparing your own dough and serving up pasta like the Italians do
- Whether you are feeding the family, cooking for one or preparing a dinner party, *The Silver Spoon: Pasta* has the perfect dish for every night of the year
