- **An outstanding selection of interviews with the figures who shaped the art world over the last 35 years**
- **Features interviews with artists, curators and composers such as Donald Judd, Roy Lichtenstein and John Cage as well as today's stars, including Jeff Wall, Mike Kelley and Damien Hirst**
- **Provides privileged access to artists and unique understanding of art works and the practice of art since 1974**
- **Essential reading for collectors, students, artists and anyone interested in the recent history of art**

William Furlong is the founder of *Audio Arts*, a unique audio 'magazine' distributed and heard internationally. **Mel Gooding** is an author and journalist who has written extensively on contemporary art and artists.
